

## **Engine Displacement**

The all-new Raize comes with a 1.2L engine and a 1.0L Turbo Engine for the best handling and punchy power for everyday use

## **Transmission**

Both engine setups come in Manual and Automatic transmissions. The manual variant is a 5-speed manual and the automatic is a CVT

## **Nimble Handling**

The Raize will be one of the most nimble vehicles on the market with a 4.9m turning radius making it easy to weave through all obstacles

## Apple CarPlay® & Android Auto™

The 7" infotainment system comes with the latest version of Apple CarPlay® and Android Auto™ to maximise connectivity and safety

## Front and Rear Parking Assist

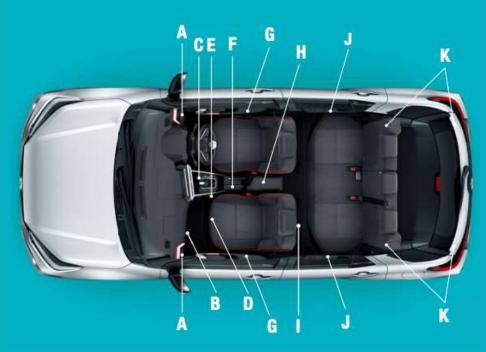

Always know what's around you with the help of rear camera along with front and rear clearance sonars that will assist you to minimise the risk of bumps, scratches and dents

## **Ground Clearance**

The Raize has been designed with driving convenience in mind so you do not have to worry about clearing any potholes or obstacles in your way

Despite the compact size, all the occupants can enjoy ample headroom and legroom with 17 storage spaces to securely accommodate all the belongings.

The seats are designed with soft base fabric with elongated seat cushions for enhanced comfort. Enhance the front area cosiness with an integrated front pad soft armrest for a comfortable driving experience.

The boot space has more than enough space to place the occupant stuffs from daily and recreational activities.

Raize is a compact SUV with a dynamic design and distinctive style that exudes sophistication, power, and fun.

This SUV has a sleek interior design with advanced features including but not limited to an adaptable automatic air conditioner, multi-information display with a wider screen and interactive display, functional instrument panel, and more.

It also features a large 7-inch display that is compatible with Apple CarPlay and Android Auto along with USB and Bluetooth integration for convenient audio and video playback.
